# It's all about Relationship

Fundraising, like any human venture, is about forming, nurturing, and respecting our relationships.

This is even more important in communities of faith, where we ask each other for our gifts of **experience, wisdom, and resources** to build our churches and sustain our mission.

# Don't Forget the Ritual of the Offertory

**Invite:** Use one of these alternate offertory sentences specifically developed for virtual gathering. These come from the Rev. Kay Sylvester, Rector of St. Paul's, Tustin, CA, with gratitude

- ▶ Let us offer our gifts, so that God will bless and break them like holy bread, and use them to nourish the world.
- ▶ As Jesus fed thousands on a hillside from a small, shared meal, let our shared gifts multiply and bring God's kingdom near.
- ▶ Creator God, gather our gifts from the four sacred directions as we give you thanks.
- ▶ Let us offer our holy gifts as seeds; may we plant and water them with God's help; may God's grace yield a harvest of new life.
- ▶ With grateful hearts, let us give what we have. With joyful hope, let us give for what can be.
- ▶ Let us love God and love one another by offering our gifts to the work of love.

# Don't Forget the Ritual of the Offertory

**Gather:** In this moment, we take time to virtually pass the offering plate representing our gifts, hopes, and prayers to the Creator and our community. When gathered virtually, take the time to observe the solemnity of this moment

- ▶ Ask people gathered remotely to use this time to make their weekly pledge online
- ▶ Have a moment of silence for people to complete the action of online giving, or to give gratitude for what they have received

**Bless:** Making an action of Orans, bless the gifts that have been presented virtually by our members, give thanks

**Break:** Just as the gifts of bread and wine are broken and shared, so too our gifts of treasure, time, and talent are shared with a needful world. Take a moment to name the ministries supported by your congregation as a remembrance that our virtual work has very real impact in our world.

4. Select leaders to facilitate **small-groups**
5. **Enroll** everyone in small groups

# Virtual Offering Plates

Every congregation should have the ability to collect donations and pledges online and via mobile platforms in times of virtual and physical gathering.

- ▶ It is no longer usual for individuals to carry cash. More and more people use their credit and debit cards for transactions.
- ▶ Even in healthy times, passing a plate suggests many people touching a common item, spreading viruses
- ▶ Receipts are automatic, as are thank-you acknowledgements
- ▶ Most donation software gives you at least basic information to reach out to visitors – at bare minimum an email address or phone number tied to a real name
- ▶ Gifts are directly deposited into your bank and reports can be easily imported into your accounting software

*Online Giving Technologies*

# Virtual Offering Plates

*There is no reason to limit the number of platforms or methods for giving.*

- ▶ **Donor-centric** – this means that we make it easy for the giver
- ▶ Don't leave money on the table (or in the purse). **Offer as many ways as you can implement** for your offering plate
- ▶ Pick platforms that integrate well with your accounting software. Most of the ones I'll be recommending integrate easily with Quickbooks

# TENS Theme for 2021

The theme and image for *Every Perfect Gift* are wrapped in the metaphor of the butterfly and chrysalis.

To the ancient Greeks, the butterfly represented the image of rebirth and freedom. The word they used for butterfly was *psyche*, and if you are thinking that sounds familiar, you are correct! It also means spirit. The humble and beautiful butterfly contains the philosophical and spiritual idea of the soul breaking free from its shell — free to **discover, to inspire, to create, to communicate, to share**. *These are the results of our gifts of time, talent, and treasure*

*Keeping the Conversation Going*
