

Directions:

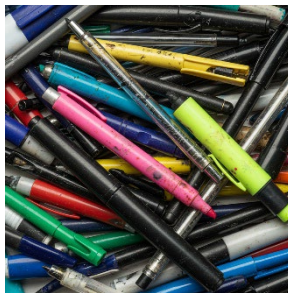

1. On behalf of the entire Creation Care Team thanks for participating in our trial recycling program!
2. While we have a wide range of items we will be collecting for recycling there are some restrictions so it's important to review the list that follows to identify what can and cannot be recycled.
3. Find a box and start collecting your items (you can mix them all together) and either drop off your items in the collection bins at Church of the Ascension or the DIOSOVA Office or you can mail your box mail to: **Attn: Creation Care Team, 405 Talbot Hall Road, Norfolk, VA 23505.**
4. The Creation Care Team will sort the items we receive into the 11 zero waste boxes and send them off to Terra Cycle once the boxes are full.
5. We will keep track of the volume of items collected and will share the status of the project on the DIOSOVA care creation page and in future editions of Tidings.
6. If the project is successful, we will explore the possibility of having other locations around the diocese.
7. Contact Canon Farlin at lfarlin@diosova.org with questions. Thanks for your participation!
